LOCAL CHURCH & BUSINESS DONATE LUNCHES TO VPRJ STAFF

Williamsburg, Virginia – This week, Liberty Live Church and local business favorite, SnoMania Island, partnered together to donate and deliver 120 lunches over two days to staff at the Virginia Peninsula Regional Jail. The donation comes as VPRJ staff continue their dedication to duty during the Covid-19 pandemic.

“SnoMania Island opened its windows in February 2017 in Toano, VA to fulfill our mission: ‘Bringing “Joy” to our community one quality treat at a time’,” said SnoMania Island owner, Kraig Ware. “We love seeing folks from our community and beyond at our WalkUp and Drive Thru Windows. A tasty treat, great service, and a smile always go a long way. When Liberty Live Church at York River reached out to us about supporting our community we were thrilled, as it fit perfectly in line with our mission statement. Our community is always in need of a smile, as just a little bit of hope and joy goes a long way every day, but especially in the unique times that we all currently face.”

“Liberty Live Church exists to change lives, communities, and the world for Jesus Christ,” stated John Dickerson, Liberty Live Church’s York River Campus pastor. “During these uniquely challenging days, Liberty believes that there’s no greater time for the world to see the Church being the hands and feet of Jesus to their local communities and those in need. At Liberty, we often say, ‘it’s not just church, it’s life!’, and it’s our prayer that those working on the front lines, and affected by the coronavirus, know just how true that is.”

“This is an incredible gesture of kindness that we have received from SnoMania Island and Liberty Live Church,” said Superintendent Colonel Roy Witham. “One of the more heartening things to see as we work through this pandemic is how so many local businesses, churches, and public agencies are coming together to support one another in a very difficult time. As an agency which provides healthcare and food services 24/7 for the adults incarcerated at our facility, we are incredibly grateful for this donation. We thank both SnoMania Island and Liberty Live Church for thinking of us, and all front line staff, as we continue to provide a safe and secure correctional environment for the public, and for the inmates housed in our custody and care.”

SnoMania Island is a locally, family owned small business located in Williamsburg, Virginia. Liberty Live Church is a multi-site church with five locations in Hampton Roads. Its’ York River campus is located in Williamsburg, VA. Both organizations are working together throughout the pandemic to assist hospitals and first responders in a variety of ways, including donating meals to those serving on the frontlines.
